

Welcome to the 2011 Poway Summer Heat Classic Tournament

Thank you for choosing to join us for one of the premiere SoCal ASA All-Star tournaments for 2011. This year Poway Girls Softball League will host 65 teams from 13 leagues competing in over 150 games on 12 fields at Aubrey Park, Midland Elementary, Rancho Bernardo High School, Lake Poway and Poway High School. We will have restrooms and full-service concessions operations at all fields including hot food and souvenir tournament t-shirts with additional vendors at Aubrey Park on Saturday and Sunday.

We would like to ask for your cooperation on the following rules in order to ensure we manage the impact on our Poway neighbors. No players on the fields at Aubrey Park before 8:00am. No alcohol, tobacco, or portable barbecues are permitted at any venue, no exceptions. Pets are NOT permitted at any school but are permitted at City parks as long as they are leashed and under control. There is no tournament parking on York or Sycamore St near Aubrey Park. Finally, PGSL requires that all coaches, players and game attendees follow the Southern California ASA code of conduct and will not tolerate violations to these guiding principles.

The latest tournament information, game results and team standings can be found on our web site at:

Have a great Father's Day weekend and please join us again next year!
